

[Cherie Murphy, LVT, VTS \(Surgery\)](#)

Cherie graduated from Tomball College with an Associates of Applied Science in Veterinary Technology in May of 2000 and began her career working for Gulf Coast Veterinary Specialists Surgery Department. Cherie worked for 6 years on the clinic floor as a veterinary technician with a focus on orthopedics and clinical trials. Cherie transitioned to the operating room team in 2006 and focused on honing her surgical technical skills and knowledge. Cherie became a surgery technical staff supervisor in 2015 leading LVT's and assistants for a 7-surgeon surgery department. Cherie received her VTS in 2017 and remains an active member

examination committee and the recertification committee.

Cherie actively works on the externship program for new technician students at GCVS. Her passions are to continually advance her knowledge of surgery and to support technicians to pursue individual goals in veterinary technology, bringing excellence to our profession.

Cherie enjoys friends and family time whether it is relaxing in the Texas hill country or traveling. Cherie also serves on one of the Houston Livestock Show and Rodeo committees. She is an Assistant Captain for the Safety Committee providing first responder support to the public.
